MARCH 22-23, 2024
LEGENDARY WATERS RESORT & CASINO
RED CLIFF, WI

Contest

Calling all Future Aquaculturists!

Are you fascinated by the wonders of the underwater world? Dive into an aquatic adventure like no other at the Wisconsin & Minnesota Aquaculture Conference!

If you're a BIPOC youth in Omaha, in grades 6th thru 12th grade, this is your chance to discover the secrets of sustainable seafood, learn about cutting-edge technologies in fish farming, and explore career opportunities in the thriving field of aquaculture!

Get ready to make a splash, meet fellow aquaculturists enthusiasts and embark on a journey of discovery that will inspire you to protect our oceans for generations to come!

Those selected receive (child and parent) :

Transportation to and from the conference
Washburn Inn lodging during your stay
Most meals covered

For More Details:

Nebraska Vendor

In a 175-275 paragraph tell us what you plan to present as a final project. Tell us what you'd like to get out of aquaculture and why? Are you interested in learning more about aquaculture? Maybe you enjoy robotics, researching, aquatic biology, textile engineering or farming seafood.

There are so many options!

If selected, students are required to submit a final presentation to include a 3-minute speech of their project.

Visit [Steam The Street](#) to see a video about exciting careers that are available to you!

SUBMIT

Presentation Deadline

February 27, 2024

Include your paragraph and your contact information to include your parent or legal guardian's name, phone number and email, along with your name, age and grade.

Email: LaSonya Luther
luther.1@gmail.com

Winners will be selected on March 10, 2024.
